

Technical Data Sheet

HD-PERFORMANCE THINNER 1899-0005

DESCRIPTION

Product Description	HD-LED PERFORMANCE THINNER is a special thinner for our HD-LED product line.
Usage	For all HD-LED products
Product group	Thinner

PROCESSING

Mixing ratio	Maximum addition: 10% (for HD-LED products)
---------------------	---

APPLICATION EXAMPLE

HD-LED PERFORMANCE THINNER + should be added to our HD-LED products at a maximum of 10%. A higher addition rate is possible, but may result in problems with drying and other parameters. Ensure that it is thoroughly mixed in.
